How do we gain wisdom for our lives? The world claims to have knowledge and many wise people that can show us the right way. But as Christians, we turn to the Bible for wisdom that comes from God.

This seminar explores Proverbs, a book in the Old Testament that contains simple, moral statements that teach fundamental realities of life. Let us examine the way of wisdom, as well as the way of folly as recorded in Proverbs 9, and find the sum of this wisdom personified in our Lord Jesus Christ.
